Assistant Director for Basic Intelligence

Request for Publications Procurement

1. It is requested that the latest available edition of the Encyclopaedia Britannica be purchased and released on indefinite loan to the Office of Basic Intelligence.

2. The requested set of encyclopaedias would be used for daily reference work in connection with processing the National Intelligence Survey. Use of encyclopaedias located in the CIA Library is infeasible owing to the distances involved between Harriet Lane Hall and M Building.

3. The requisite form for the purchase of the requested set of Encyclopaedia Britannica is enclosed.
